TO: All Members
From: Luis Santiago, Fire Chief
SUBJECT: Retirement

I wanted to take this opportunity to notify all members of my intentions concerning retirement. It is my plan to be the Fire Chief for the Toledo Fire and Rescue Department until sometime in the first week of August. I anticipate this will be public soon and I thought it was important that you hear this directly from me first.

With that being said, I want you to know it has been a privilege leading this great department that is full of talent and dedication. It is and was truly an honor serving you as Fire Chief.

Thank you for making a difference every day and I wish nothing but the best for this department.

A handwritten signature in blue ink, appearing to read "L. Santiago", is written over a horizontal line.
